### HOLIDAY CLAIMING AND ATTENDANCE

Please remember that in order to be reimbursed for meals claimed on a Holiday (New Years Day, Memorial Day, July 4<sup>th</sup>, Labor Day, Thanksgiving Day and Christmas Day), attendance records must be submitted to our office with your claim. These attendance records must be signed by the parents confirming that children were in your care on this Holiday. Holiday claims submitted without signed attendance records will not be paid, and providers are not reminded to submit this information.

### RE-ENROLLMENT PAPERWORK

Each September, providers begin to receive their re-enrollment paperwork. This process does take some time, but is imperative to be accurate for our CACFP record requirements. To prepare for this process we ask for your help with a few things...

- Confirm that all children on your roster are active and attending your program (please withdraw any who are not)
- Child and parent address/phone number/email address is up to date
- Please also begin collecting school times from parents of children who will be attending before and after school. This information is important to confirm which meals children will regularly be paid for. This information is not able to be changed in MM at this time, however will be requested on re-enrollment paperwork.

A message will be sent out when re-enrollment paperwork is mailed.

Everyone can be a little excited for back to school – including the children who won't be heading there quite yet! Let them join the fun by serving "lunch boxes" for your meals! See examples below of items you could consider!

*\*note that popcorn is not a creditable component on the CACFP, but can be served as an extra!*
