

Connecting your employees with child care

Refer your employees to Child Care Partnership, where they can get free help with finding reliable, quality child care.

Services

- Contact us for a free list of child care options customized to meet your needs
- Upon request — we will call local childcare providers on your behalf to check for openings that fit your family's needs.
- Contact us for information about starting your own child care business
- Learn about financial resources for child care

Child Care Partnership (CCP) is a resource & referral agency working with parents and caregivers to find child care in Buffalo, Chippewa, Dunn, Eau Claire, Jackson, Pepin, Pierce, Polk, St. Croix, & Trempealeau Counties including the Ho-Chunk Nation. CCP is a program of Western Dairyland EOC.

We assist families in finding care for children ages 0-12. Our database includes all regulated (certified or licensed) family child care and group centers. Referral assistance is a free service and we follow up to ensure you find care!
