

This Provider Letter and the attached Household Size-Income Statement form (HSIS) must be given to all area eligible providers wanting to claim their own children, other residential, or residential foster children for meal reimbursement.

Dear Provider:

To establish eligibility to claim your own children, other residential children, and/or residential foster children for reimbursement under the CACFP, you must complete and return the attached Household Size-Income Statement form (HSIS) to our office. Once properly approved as eligible to claim your residential children, you will remain eligible to claim them for a period not to exceed 12 months, regardless of any change in household size and/or income or termination from Benefits Programs during this 12-month period. This information will be kept confidential in our files.

You are not required to complete this HSIS if no one in your household receives benefits from FoodShare (Supplemental Nutrition Assistance Program (SNAP)), FDPIR (Food Distribution Program on Indian Reservations), or Wisconsin Works Programs and your household income is higher than the amount shown for your household size within the table below.

Eligibilities of Foster, Runaway, Homeless, and Migrant Children, and Children in

Head Start: If your household does not qualify your own children based on the information provided on this form, any child residing in your home who is a foster, runaway, homeless, or migrant child, or a child enrolled in Head Start will qualify for Tier 1 meal rates when the respective documentation listed

below is provided. **These children's Tier 1 eligibility status does not extend to any other children in the household. The respective documentation is required for these children to be eligible for Tier 1 rates:**

- **Foster Children:** Your completed HSIS with the 'Foster Child' box checked next to your foster children's names. When including them on your HSIS completed for your non-foster children, any income reported for your foster children must only be for their personal use. Your foster children will then be eligible for Tier 1 meal reimbursement rates. Your non-foster children's eligibilities will be based on the benefits or income information provided on your household's completed HSIS form.
- **Children Enrolled in Head Start:** Written certification of your child's Head Start enrollment eligibility period from the Head Start administering agency.
- **Runaway, Homeless, and Migrant Children:** Written certification of the child's status from an official of the appropriate Runaway and Homeless Youth Program, Migrant Education Program, or school official.

Use of Information Statement: The Richard B. Russell National School Lunch Act requires the information on this form. You are not required to provide this information, but if you do not, you cannot be approved to claim your residential children for meal reimbursement. You must include the last four digits of the social security number of the household member signing the form unless: the HSIS is only for your foster child(ren); you list a case number for receiving FoodShare WI, WI Works Programs, or FDPIR; or when the household member signing the HSIS checks "None" for not having a SS#.

Sharing Eligibility Information: Children's meal eligibility information may be shared, in accordance with disclosure protection requirements without prior notification, with education, health, and nutrition programs to assess their eligibility for benefits. The law allows us to share your children's eligibility information with programs such as Medicaid or BadgerCare for ensuring their access to free or low-cost health insurance, **unless you tell us not to.** This information may only be used for determining eligibility for their programs; if your children are eligible, they may contact you to offer their enrollment options. Filling out this HSIS does not automatically enroll your children in these programs. **If you do not want your information to be shared with these programs, notify us in writing. This notification will not change whether your children's meals are eligible for meal reimbursement.** Your eligibility information provided on the HSIS may also be shared with auditors for program reviews and law enforcement officials for the purpose of investigating violations of program rules.
